

EDUCATION
THAT PAYS | NAIROBI 2018

Skills for All:
Education for Employment,
Entrepreneurship and Empowerment
29th -30th October

Program Outline (draft)

Please note, speakers and roundtable topics are to be confirmed.

Day One - October 29, 2018

08:00 - Registration

9:00am - MORNING SESSION

Welcome Address

Education for Life: Future Skills Today

Nik Kafka, Teach A Man To Fish, UK

Education That Pays For Itself

Martin Burt, Fundación Paraguaya, Paraguay

Teacher Panel

Hear from teachers that encourage students to broaden their horizons while they direct entrepreneurship programs in schools

Businesses Panel

Hear from businesses looking for skilled young people to add to their work or to mentor in the entrepreneurial ventures

Partner Panel

Hear from operational partners about their experiences scaling up enterprise education in various schools across Africa

2:00pm - AFTERNOON SESSION

Enterprise Education Lab

Experience the pioneering School-Business Model first hand in this fast-paced learning lab. You'll get to enjoy the training, resources, guidance and support given to schools taking part in the School Enterprise Challenge and share your feedback.

Roundtable Discussions

Exciting discussions allow participants to explore a variety of possible topics (to be confirmed) including developing resilient entrepreneurs; tackling youth unemployment and poverty; integrating 21st century skills into the classroom; technology, gender and disability; measuring and demonstrating impact

Awards Gala and Dinner

Join us as we celebrate the achievements of our partners, teachers and students during the Awards Gala! Dinner will be served.

Day Two - October 30, 2018

9:00am - MORNING SESSION

Funder Panel

Hear from funders supporting enterprise education programs and what they look for in quality sustainable programs!

EDUCATION
THAT PAYS | NAIROBI 2018

Skills for All:
Education for Employment,
Entrepreneurship and Empowerment
29th -30th October

Student Panel

Hear from students participating in enterprise education programs and what they hope to achieve with their skills!

Marketplace

Come see what students are producing and marketing at the marketplace! We will have set up a market whereby participants can set up their own stalls to showcase their work or showcase their school business.

2:00pm - AFTERNOON SESSION

Roundtable Discussions

Exciting discussions allow participants to explore a variety of possible topics (to be confirmed) including developing resilient entrepreneurs; tackling youth unemployment and poverty; integrating 21st century skills into the classroom; technology, gender and disability; measuring and demonstrating impact

Unconference/Closing Session
